Performance Reflection

1. How did you prepare for this performance?

2. What performance level did you achieve on this performance?

    a. Is it what you were striving for? Was it better? Worse?

    b. Is there anything you would do differently for the next performance?

3. If you could give your peers advice on how to reach their performance target what would you tell them?

4. How does is affect or help you reach your overall language goal?
