Performance Based Assessment

Interpersonal

Learning Targets:

- I can ask and tell what my family members look like and their personality.
- I can ask and tell what members of my family like to do and why.

Your teacher has arranged for _____ speaking members of the community to come to your classroom so that you can practice your _____. He/she has asked the community members to talk with you about family. **Ask you partner questions about their family and answer the questions that your partner asks you.**

To meet expectations be sure to include:

- *an appropriate greeting*
- *ask your partner how they are and tell them how you are*
- *describe 2 of your family members for your partner (age, physical description and personality)*
- *ask your partner about their family members*
- *ask your partner what their family members like/don't like to do and tell them about yours*

To exceed expectations, tell what you and your family members do together as a family
