

School

Performance Based Assessment

Presentation Speaking

Learning Targets:

- I can talk about my school schedule.
- I can tell someone what school supplies I have and need.
- I can describe my classes and teachers.

Your school is hosting an information night for a group of exchange students from ____ that will be attending your school for the second semester. Because you are one of the top students, your teacher has asked you to tell everyone what to expect while attending your school.

Present to the exchange students about a typical day at your school.

To meet expectations be sure to include:

- *two classes that you have in the morning and two classes that you have in the afternoon.*
- *what you do in each of the classes*
- *at least one supply needed for each class*
- *your favorite class and why you like it.*

To exceed expectations, describe your teachers and your classes
