# Performance Based Assessment

## Presentational Writing

Learning Targets:

- I can write information about my class schedule.
- I can write a description of my classes and teachers.

As part of a cultural research project for your \_\_\_\_\_ class, you are exchanging emails with a student from \_\_\_\_\_. The two of you compare various parts of your daily life each month. This month, you are talking about your school day. **Tell your e-pal five classes that you take, whether you like or don't like the classes, the supplies that you need for each class.**

**To meet expectations be sure to include:**

- *five classes that you take during your school day.*
- *Whether you like or don't like three of your classes and describe them*
- *2 supplies that you need for each class*

**To exceed expectations,** describe your teachers and what you do in each class
