

WHAT CAN YOU DO?

I can ask and tell you how to get to different places in my community and why.

I can tell you some occupations people have in my community.

I can identify important places in my community!

I can present on the neighborhood around my school.

I can ask and tell you where people in my community work.

I can identify different types of transportation.

I can tell you what I want to be when I grow up.

I can ask and tell you where something is using basic directional words.

I can ask and tell you what family members do.
